Halton Pardee+Partners

"Our whole thing this year is peace and good love and looking at the world through a better and bigger place," says Pardee, the queen of L.A.'s Westside real estate scene. But don't be fooled: She rules red-hot Venice with listings including the newest home (\$4.775 million) from award-winning architects Marmol Radziner. Pardee also recently closed on a \$9.8 million property on Rockingham in Brentwood: "Everyone quoted it at \$9 million, and we got \$9.8. I absolutely love it when that happens."

*Award-winning architects Marmol Radziner's newest collaboration with Halton Pardee is this \$4.775 million listing at 613 Santa Clara in Venice.*

*\$9.8M: The storybook garden house of a Brentwood spread Pardee sold in April.*
