Moving over to the Westside, here's a swank little bungalow near Ballona Creek in Del Rey. Two bedrooms and a bathroom are tucked into its 704 square feet of floor space, with outdoor access in nearly every room. Interior features include wood floors, new cabinetry, stainless steel kitchen appliances, and glass doors. Sitting on a tiny 1,982-square-foot lot, the house nevertheless has some nice outdoor spaces. [It's asking \\$725,000.](#)
