Jesse Goddard and Tami Pardee drive through Venice, California in the real estate series, "A-Listed."

From the unusual sights to the iconic canals to the mix of old and new homes, Venice is a feast for the senses. To get a taste of the local flavor, real estate agent Tami Pardee gave Hot Property host Jesse Goddard a personal tour through the weird and wonderful beachfront neighborhood.

Our journey begins with a look at the housing inventory and how much it costs to buy into the area today.
