

Port Hueneme

The Friendly City by the Sea

“Port Hueneme (wy-NEEM-ee) is a small beach city in Ventura County, California, surrounded by the city of Oxnard and the Santa Barbara Channel. Both the Port of Hueneme and Naval Base Ventura County lie within the city limits.

Port Hueneme has a south-facing sand beach, known for its surfing. The beach has a wooden fishing pier and is about a mile long between Ormond Beach downcoast and Point Hueneme Light at the harbor entrance shared by the naval base and the port. The Waterfront Promenade, also known as the Lighthouse Promenade, provides a paved public access along the shoreline with two historic sites at viewpoints: the 1872 Wharf and the Oxnard Packing House.”
